

### 1. Warranty Coverage

Every DOLMAR product is thoroughly inspected and tested before leaving the factory. It is warranted to be free of defects from workmanship and materials for the periods of time described below. DOLMAR provides this warranty coverage to the original purchaser of this DOLMAR product. This limited warranty is only applicable to DOLMAR products sold by and repaired by DOLMAR dealers in the United States and Canada and is not transferable to subsequent owner(s). This warranty is separate from the Emission Component Defect Warranty Coverage statement supplied with every DOLMAR product. Please review the Emission Component Defect Warranty Coverage for details regarding emission related parts.

### 2. Warranty Period

The following warranty time periods apply to all DOLMAR products purchased after April 1<sup>st</sup>, 2013:

- a. For all DOLMAR products:
  - i. Two years from the date of purchase when used for commercial or income producing purposes (except for rental use) and private or personal non-income producing use.
  - ii. 90 days for rental use from date the product is placed into rental service.

### 3. Emission Component Defect Warranty

DOLMAR warrants to the initial retail purchaser and each subsequent owner, that this product was designed, built and equipped to conform to all applicable regulations of the U.S. EPA (Environmental Protection Agency) and that the engine is free of defects in materials and workmanship which would cause this engine to fail to conform with EPA regulations during its warranty period. An explanation of the emission component defect warranty coverage can be found in the instruction manual supplied with the product.
